

HEALING LAND; HEALING LINEAGE

Welcome to Healing Land; Healing Lineage ~ week 4

HOW LONG IS THE SESSION?

The session will be at least an hour long, sometimes we go nearer 90 minutes depending on how many questions you ask ~ if you can't make it for the whole session live you're welcome to still pop in for part of it. If you'll miss part or all of it live, now is a good time to look at your calendar and think about when you'll be able to connect with the content fully.

WHAT YOU NEED TO BRING

You don't really NEED anything, but if you can have this workbook handy, along with a pen it will be grand.

As much as possible create a space for yourself where you're free of interruptions and distractions ~ you may also like a snuggly blanket, and a favourite herbal tea to hand.

WHAT ARE WE DOING THIS WEEK?

This week we're going to be recapping course material, and looking at creating your own process of creating healing for clients.

Where do we start? How do we navigate the process? How do we choose which tools to use?

THE SESSION WILL BE PACKED FULL OF JUICY GOODNESS
- I'D LOVE IT IF YOU COULD JOIN ME LIVE

Back To Basics ~ Activating your intuition, Journeying in the middle World, Connecting with the Ancestors, Working with the land.

How will you know if a client is a good fit?

How will you choose which tools
you might use?

How will you stay in the process
for the client without bringing in
your own experiences?

How will you create safe boundaries while you work with clients?

Thank you for joining me on
this adventure
